To Our Valued Customers,

Capitol Distributing has been informed by Novartis Consumer Health that they are issuing a voluntary recall of Excedrin & Gas X products due to the possibility of the items containing stray or broken tablets from other products. All items that have an expiration date prior to 12/20/2014 are being recalled. The items being recalled are listed below:

#620138 –EXCEDRIN 24S

#077768 – GAS X

If you have the above items, you will need to do the following to receive credit:

- Examine the stock in your stores and backrooms, and take immediate steps to isolate the product.
- Please call or email our customer service representative Ashli Kesler at 208-888-5112 or ashli.kesler@capitoldist.com before January 23rd for a pick-up notice.
- Your Capitol Driver will then verify quantities and pick up the product.
- A credit at Capitol Distributing's cost will be issued.

We appreciate your business.

Sincerely,

Jessica Summers
Marketing Coordinator
