

Capitol Distributing NEW ITEM RACK

**** The unshaded items above will be automatically shipped to your participating locations on the week of March 26th****

The shaded items will NOT be shipped--they were presented on last quarter's new item rack schematic and were shipped to you in that quarter. These items are merely our suggestions for you, based on our sales movement data. You are welcome to place whichever items you deem appropriate for your location in the shaded slots.

Proposed Schematic
